## Awards offering *Critical Analysis of Leadership Development*

This unit is offered as a part of the following awards:

- Master of Education (Leadership)

## Unit Content

### Outcomes

1. Explain and interpret insights on educational leadership practice from a diversity of sources and learning areas as filtered through a Biblical worldview;
2. Appraise the leadership development processes engaged in during postgraduate study or another approved leadership development program;
3. Critique leadership development experiences based on current research and literature in the field, as well as biblical perspectives and suggest changes to established ideas and practices;
4. Summarise and critically evaluate unstated worldviews that are embedded in leadership development programs in order to ensure a fundamental coherence in one's approach to educational leadership and management;

5. Describe the design and delivery of training programs that are based upon Biblical presuppositions to enhance worldview and life values of a school community.

## Subject Content

1. Unit overview: A worldview toolkit: Principle and mindset.
2. Discussion of leadership development literature
3. Discussion of leadership development programs
4. Reflection and feedback on worldview perspectives in leadership development
