## Declaration

By submitting this assessment through the online learning portal, you are declaring that the ideas, conclusions, and writing / presentation contained within the submission are the result of your own study / research undertaken through the National Institute for Christian Education. All sources are referenced according to APA7 guidelines. Unless otherwise stated, the content of the assessment is original; any work done collaboratively is identified.

You also acknowledge that any use of AI has been approved by the lecturer as part of the assessment design and has been referenced accordingly (see the Style Guide).

Note: It is highly recommended you use the functions in Turnitin to view the similarity to other sources (with appropriate citations this is acceptable) and the use of AI (which needs to be acknowledged) BEFORE the submission due date.
